

ROVER'S DISCOVERY

Your rover has been busy! Not only has it collected some Mars rocks, it has also detected high levels of something in the atmosphere. But communications are not working well – you'll need to work out what it's trying to tell you.

kshhhhh... ExoMars reporting... do you read me? kshhhhh... crack my code by looking very carefully at the **size, shape, colour** and **texture** of the seven rocks at the top, and find their exact match from the rocks below.
