

TEAM WORK

Hello, space explorer!
 How did you find communicating commands to your rover?
 Did you manage to guide the rover to the rock samples? Check your route is correct against the solution to the right.

The correct commands are:

→	↑	←	↑	→	↑	→	↑	←	↑	←
↑	←	↓	←	↑	←	↑	→	↑	→	↓
←	↓	←	↓	→	↓	→	↑	→	↓	→
↑	→	↓	←	↓	→	↓	→	↑	→	↑
→	↓	→	↑	←	↑	→	↓	←		

Did you get all 53?

MARS DIARY HINT:
 You can find out more about Professor Peter McOwen by using the zap code in the Astronauts Wanted activity in Chapter Two!
